By the Assistant Chief, Audio Division:

1. The Audio Division has before it the Petition for Rule Making filed by Glenville Radio Broadcasters ("petitioner") proposing the allotment of Channel 289A at Glenville, North Carolina, as the community's first local aural transmission service.

2. In support of its proposal, petitioner states that Glenville is otherwise known as Hamburg Township and is a community with a 2000 U.S. Census population of 1,572 persons. Glenville has its own post office and its own zip code (28736). Emergency services are provided by the Glenville-Cashiers Rescue Squad and by the Cashiers-Glenville Voluntary Fire Department. Glenville is a significant tourist and vacation area in the heart of the Smokey Mountains of North Carolina. Glenville is located on Lake Glenville which is the highest lake east of the Mississippi. Glenville is the destination for fishing, camping, and boating activities. Petitioner further states that in addition to numerous vacation homes, Glenville is the home to the Ralph J. Andrew Park Campground (a division of the Jackson County Recreation/Parks Department) and the world famous Innisfree Victorian Inn and Garden House. Glenville is also the home to several businesses such as Blue Ridge Computer Graphics, Mountain Lake Properties, Glenville Marina, and MacDonald Home Construction. Additionally, the community is served by the Hamburg Baptist Church. Local activities are held at the Glenville Community Center.

3. The proposal warrants consideration since it could provide Glenville, North Carolina, with its first local aural transmission service. An engineering analysis has determined that Channel 289A can be allotted to Glenville in compliance with the Commission's minimum distance separation requirements with a site restriction of 1.5 kilometers (.93 miles) west to avoid a short-spacing to the licensed site of Station

WZNY(FM), Channel 289C, Augusta, Georgia.<sup>1</sup>

4. Accordingly, we seek comments on the proposed amendment of the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, for the community listed below, to read as follows:

<u>City</u>	<u>Channel No.</u>	
	<u>Present</u>	<u>Proposed</u>
Glenville, North Carolina	---	289A

5. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before December 30, 2002, and reply comments on or before January 14, 2003, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

U.S. Postal Service first-class mail, Express Mail, and Priority Mail should be addressed to 445 12<sup>th</sup> Street, SW, Washington, D.C. 20554.
